Neurology**

National Institute of Neurosciences and Hospital

Introduction

- Interventional Neurology started its journey since the inauguration of NINS in 2013. But the major milestone was the formation of independent units on 12.11.17 with the dynamic guidance of Prof. Quazi Deen Mohammad and Prof Badrul Alam Sir.
 - Two independent units are now operational.
 - Unite White is headed by Dr Kazi Mohibur Rahman
 - Unit Violate is headed by Dr Sharif Uddin Khan
